

KPME Time and Attendance - SME Group

KPME Time and Attendance - SME Group

The KPME Time and Attendance Subject Matter Expert's (SME) group is responsible for providing expertise and guidance on the functional characteristics and requirements of the KPME Time and Attendance module. This group works as a committee to fulfill its responsibilities and is lead by the Lead Subject Matter Expert. The Lead SME is the primary functional contact with the Functional Council and is a partner with the Development Manager to ensure a successful completion to the project. The Lead SME organizes and organizes and leads committee activities, researches regulation requirements and pulls information together for the SME group.
